

The Galilee Baptist Church of Kalamazoo
Summer Bible Study Series: The Post Quarantine Church
Challenge 6: Make Lasting Changes That Will Make a Difference

1. To lead successfully in the post-quarantine church, you will have to lead without total _____. You will have to lead with a lot of uncertainty.

- A. Transparency
- B. Disclosure
- C. Purpose
- D. Clarity

2. You can no longer lead according to bygone expectations, perspectives, and methodologies. A new era requires a new _____ if you want to successfully reach the people God has placed in your path.

- A. Vision
- B. Mission
- C. Approach
- D. Purpose

3. In the midst of the need for change, what are two things that NEVER change?

4. According to scripture, how did the apostles respond to a time of tremendous change in the earliest days of the church?

5. In the coming seasons of uncertainty you will be required to lead change, perhaps like you never have before. You will _____ decisions one day, _____ some of them the next day, and _____ others the day after that.

6. According to Thom S. Rainer, how many failures must we avoid while leading change?

- A. 4
- B. 5
- C. 6
- D. 7

7. A percentage of church members are waiting for church to return to the old normal. It won't. And because we may not know for even a few years what the new normal will look like, church leaders must continue to lead with _____.

- A. Charisma
- B. Boldness
- C. Attitude
- D. Urgency

8. No church leader can lead this rapid change alone. _____ must seek the help of influential people in the church who can work with other church members to embrace the need and the means for change.

- A. All
- B. Some
- C. Others
- D. None

9. In the post-quarantine era, vision casting will be measured in _____. Simply stated, we can't see much beyond a year at this point.

- A. Days
- B. Months
- C. Years
- D. Decades

10. So for leaders and churches that want to lead with as clear a vision as possible, how can this be accomplished in light of this time frame?

11. In times of uncertainty, leaders must decrease the frequency of communication. Be prepared as church leaders to become frequent communicators during the days of post-quarantine uncertainty.

- A. True
- B. False
