

**The Galilee Baptist Church of Kalamazoo**  
**Summer Bible Study Series: The Post Quarantine Church**  
**Challenge 6: Make Lasting Changes That Will Make a Difference**  
**Part 2**

1. What will happen if we give too much attention to obstacles (negative naysayers)?

2. How should we respond to the naysayers?

3. Leading the church in lasting change will require leaders to remind people of their \_\_\_\_\_ hope.

- A. Resurrection
- B. Everlasting
- C. Biblical
- D. Present

4. We cannot demand or declare a new and healthy culture into existence. Culture is the result of cumulative actions, not something we do to fix attitudes and environments.

- A. True
- B. False

5. Always have a positive attitude of \_\_\_\_\_. If not, your church will miss opportunities that arise in the post-quarantine era.

6. The surrounding \_\_\_\_\_ is shifting. Growth and health are more challenging to maintain. We can't continue to "do church" the way we've always done it and expect Great Commission results.

- A. Church
- B. School
- C. Government
- D. Culture

7. What will compel the individuals that have grown comfortable with the convenience of the virtual church (i.e. sleeping in, haphazardly viewing virtual services, etc.) to return to in-person gatherings?

8. Churches must \_\_\_\_\_ short-term wins and ongoing movement in the community and for the community. Yesterday's long-term planning teams must become today's short-term action groups.

9. What is the role of those "key influencers" within the congregation during this post-pandemic era?

10. Church members must hear from their leaders that God is in \_\_\_\_\_ and that the church is moving forward in His strength. But they must also hear these positive, reassuring messages from those who are not in formal leadership positions.

11. According to Thom S. Rainer, \_\_\_\_\_ is imperative. Develop allies of influence, regardless of their roles in the church.

- A. Collaboration
- B. Confusion
- C. Chaos
- D. Collusion
