The First 22 Days of Prayer, Fasting, and Consecration in 2022**

***2022: The Year of Activation!***

It has often been said that how we begin the new year is often a strong indication of what the remainder of the year will be like for us! We believe that our entire lives as well as the whole year of 2022 belongs to God, however, our desire is to begin 2022 by dedicating the first portion of the first month of the year to God through prayer, fasting, and consecration. We will begin the new year with a time of Prayer & Fasting on January 1, 2022 and will conclude on January 22, 2022. This year the entire fast will consist of the “Daniel Fast” (fruits and vegetables). In the tenth chapter of the Book of Daniel, Daniel deprived himself of choice food, meat, and wine as he sought the Lord in prayer. The fast resulted in answered prayer and spiritual insight (Daniel 10: 3,12). If we ever needed answered prayer and spiritual insight we sure do need it now going into this new year and new post-quarantine era! **We will share in a fifteen minute 6AM EST weekly prayer each Wednesday on our prayer line 1-857-216-6700, Access Code is 959907.** There will be three (3) phases of the Daniel fast as follows:

**Phase 1: (January 1st through January 7th)** We will abstain from all food and beverage with the exception of fruits, vegetables, nuts, and whole grains throughout the twenty-four hour day. This means you can eat all throughout the day and evening the foods listed below:

All fruit – fresh, frozen, dried, or juiced.

All vegetables – fresh, frozen, dried, or juiced.

All whole grains – amaranth, barley, brown rice, oats, quinoa, millet, and whole wheat.

All nuts & seeds – almonds, cashews, macadamia nuts, peanuts, pecans, pine nuts, walnuts, pumpkin seeds, sesame seeds, and sunflower seeds; unsweetened almond milk. Nut butters are also included.

All legumes – canned or dried; black beans, black eyed peas, cannellini beans, garbanzo beans (chickpeas), great northern beans, kidney beans, lentils, pinto beans, and split peas.

All quality oils – avocado, coconut, grapeseed, olive, peanut, sesame, and walnut.

Beverages– distilled water, filtered water, spring water, and natural fruit juices.

Other – unsweetened almond milk, coconut milk, rice milk, or soy milk; herbs, spices, salt, pepper, unsweetened coconut flakes, seasonings, soy products, organic honey, and tofu.

**Phase 2: (January 8th through January 15th)** We will abstain from all food and beverages from Sunrise to Sunset. After Sunset, you can eat fruits, vegetables, nuts, and whole grains throughout the evening.

**Phase 3: (January 16th through January 22nd)** We will abstain from ***ALL SOLID FOODS*** with the exception of light vegetable broths, distilled water, filtered water, spring water, and 100% natural fruit juices. throughout the twenty-four hour day. Feel free to stay hydrated by drinking water and 100% juices throughout the day should you feel a little weak. This the breakthrough portion of the fast which will require a more intensified time of prayer and scriptural mediation.

**GRACE DAYS:**

There are (3) three “grace days” throughout the 22 days. This means that you can use your “grace days” to break from the fast at your own discretion. Some people will simply use each Sunday as their day of grace so that they can eat what they want on Sundays but that is solely up to the individual. It is imperative that you pray daily throughout the 22 Days.

**FOODS YOU CANNOT EAT DURING THE 22 DAYS (Except on Grace Days):**

- All meat & animal products – bacon, beef, buffalo, eggs, fish, lamb, poultry, and pork.
- All dairy products – butter, cheese, cream, milk, and yogurt.
- All sweeteners – agave nectar, artificial sweeteners, brown rice syrup, cane juice, molasses, raw sugar, syrups, stevia, and sugar.
- All leavened bread & yeast – baked goods and Ezekiel bread (if it contains yeast and honey).
- All refined & processed food products – artificial flavorings, chemicals, food additives, preservatives, white flour, and white rice.
- All deep-fried foods – corn chips, French fries, and potato chips.
- All solid fats – lard, margarine, and shortening.
- Beverages – alcohol, sodas, coffee, lattes, espresso, and energy drinks (i.e. Red Bull, Gatorade, etc.)
